This memo is written to inform you of UUNET's desire for MFS to provision DS-0's, DS-1's and Ethernet connections on-net and off-net to facilities co-located with MFS in:

Chicago
New York
Los Angeles
Dallas
Houston
Boston
Atlanta
San Francisco and
Washington, D.C.

Via this memo I am requesting time on your calendars for a meeting Monday, February 22nd at 10 am in OakBrook. The intent of this meeting is to present a profile on UUNET, to provide definition of the opportunity, to discuss the obstacles and to define a game plan for moving forward. In that each of you play a significant role in the success of our moving forward it is extremely important that you be available for this meeting.
